THE NEW NAZIS

SUMMER 1984

WHITE UN ITY IN ACTION

On the night of July 7,1984 we members of Unit 94 of the NSLF, in N.Y. attended a "White Unity Rally" hosted by the North East Klans of Pa. on a rally field provided by that group.United in purpose and in action,rather then just "lip-service" to this end.U.K.A., N.E.K.,Identity Churches, Aryan Nations Movement and NSLF members gave some good speaches and everyone in attendance learned something from each other, young and old, alike.

This is the unity in action that we here in Waverly,N.Y. have been preaching for years now! God blesses those who help themselves! We believe in, and do what we preach to others.

We have no time to waste on those who claim to be "racists" but waste time, energies and monies, printing literature attacking,to our racial enemies delight, other leaders from our side!

We trash-can all newsletters, flyers and the such attacking White Racialist groups! COINTELPRO has been re-born! 'Nuff said on this subject.

WHITE WORKING MAN

According to the latest figures released by that Federal Satanist Govemment in La Cesspool Grandé',D.C. the male-White worker only represents a mere 51% of the total work-force in America! So, what's new? We racialist National Socialists and Klansmen told you White working men this would become a reality in the 1980's.The time is here now for the White racialist groups to awaken the few Whitemen and women to rally around our banner.

To hell with the government in D.C. and in various State Capitols.The eternal jew and his usurios system of exploitation and tyranny is on its deathbed.The sooner it falls the better! We, the remenant will rebuild a society that will outlast and outdo the federal beast system in all areas of living.

FBI SHOWS TRUE COLORS

We National Socialists have been accused by the JEW kept press all over the world for running a "police state" and a "Facist Nation" in Europa during the 1930's and 1940's.Well, that was just a drop in the bucket compared to the computerized police state that the USA and other European -

countries are running in the so-called modern World!Any White Nationalist group or anti-communist and anti-bolsheviks,whether racist or Christian are subject to gross harassment, jail and/ or death! This is exactly what the sewerage in D.C. are and have been promoting for twenty-five or so years now.This is why great White Racialist Leaders like George Lincoln Rockwell, Joe Tomassi,and many others are assassinated.This is why men like J.B . Stoner,Robert Miles, Sam Bowers,Karl Hand and countless others are jailed on trumped- up charges in bolshivek America! The ZOG,(Zionist-Occupation Government) in Washington,D.C. is the most sensualistic,amoral government in the World!

Anyone of the right-wing leaders or members who believes that, that monster in D.C. is thier government is either a fool or an agent of that system.To be a fool is one thing, to be a part of the beast-system.Anyone that works actively for the D.C. regime is an enemy of all Whites.The FBI, IRS, B ATF,DEC,and countless others are actively engaged in supression of, and eventual extinction of the White Race, here in America and everywhere else.This is not our government, nor is it your government, if you are a d ecent Whiteman or woman.

It does not surprise us when we read about an armed,hooded team of FBI agents in Glen Cove,N.Y. attacking a van of White teenagers who stopped alonside of a road, to relieve themselves.After all, the teeanagers were white and were too close to the Soviet Mission in that town.The FBI and KGB are mirror images of each other.No diffrence in either one! The American agents are motiv ated, not by patriotism or loyalty, but by "job security" and by big fat pensions.No different than thier Soviet counterparts.The FBI,CIA and KGB have long been doing favors for each other, to keep the "sheep" in line. Soviet secret police and "American" intelligence services as well as Israeli Mossad, Cuban intelligence and all other "bloc" nations, since WW2 have been actively engaged in supression of all White Nationalist activities, all over the world.

We here have a limited amount of literature available to interested parties also.If you send us a donation, we will send you a package of reading matierials.

Keeping Up With The Enemy

It was discussed at the above meeting of White Racialists of how the racialist revolutioneries and Nationalists can most effectively deal with the Federal-Communists scum in your area of operation.A few suggestions are put forth here: Make lists of all individuals, groups,churches, societies,etc. that are in your area.Your area, by the way, is a fifty-mile square.Catologue each on some index-cards by name,address,tel. number, and remarks on each card as to workplace,organisations individuals belong to that promote federal communist ideals, etc. Make cross-index cards by home address of his or her location. List known family or friends and associates of these scum.

This info. will be checked by or staff when we visit each unit from time to time.So don't delay in istituting this in each unit.We must know who or enemies are everywhere , when duck hunting season comes.And it may come sooner than anyone thinks.These days following any national elections are sometimes funny-times in modern America.Anything can happen when new or old regimes take power.The time is now for the jew-communists to try and take it all away from Whitey, in a bolshevik America.

Listen,Learm and Lookout

We hear and see more signs of war being transmitted out over the air-waves and in the printed media these days.Signs of a conflict between the ZoG and the Bolshevik USSR are more pronounced today than ever before.The federal ZOG, that Satanist Government, fights for power and control over money and matierial things.The USSR fights for control over people for the same things, but for diffrent reasons.The USSR and the USA are both the anti freedom, anti-White Satanists.They serve mamon,Sataniel,the prince of Darkness.

We White-Christian Racists fight for freedom from both systems.The Federal B east in D.C. or the Bolshevik Beast in Moscow is no diffrent, to us.

Who Said This?

"Isreal and the Jews will prove to be the destruction of the Western World!"

Answer : Muslim Minister Louis Faarakhan. Funny things happen when Black Muslims speak out against the pernicious Jews! Teddy Kennedy, the "lifeguard" from Massachussettes has finally publicly criticised a black leader! Rev. Louis Farakhan.That's because Rev. Farakhan criticised the Jews! My, my how things and polotics change in ZOG America!

Dazzle 'Em In New Orleans Comrades !

On Aug. 25th,1984, a uniformed contingent of the NSLF will pass out leaflets alerting Americans to the illegal Kosher food Tax that the Jew-Communist Rabbis extort from americans daily.The uniformed contingent will be backed up by plainclothed men from the CCU,(crowd control Unit) to prevent any attacks upon our men, as well as to record on film any attacks upon our men. The Jewsmedia has already started squawking about this, since we notified them about this months ago.Guilty conciousess bother them?

Thank You For Your Support !

We would like to thank the few good associates and Comrades who have donated money to our local operation here.We can only produce this local newsletter from thier generousity.They know who they are and so we need not print names and the such, in our newsletter.We do not give out names or any other information to anyone.We are not like the federally funded KKK or other groups that publish peoples names and pictures in thier publication.

We need cash donations and postage stamps only, to spread the message of White Nationalism Statewide, here in New York.This is a Statewide movement. We feel that we who live here in New York know its problems and are best suited to straightening the racialist situation out here in New York.We lack the funds and the people to distribute our literature.Any volunteers for literature distributions will be happily accepted by our staff, here.Let's get the word out to all White People now!

Mightier Than An Army

When the National Anti-Klan Network-a motley but well financed gang of hardcore Communists, guilt striken Christians, and the usual quota of jews to pull thier strings- held thier convention in Atlanta,Ga. in 1982, to cook up new methods for combating the Ku Klux Klan, it was the "New Nazis" not the brave fighters for a mullato future which focussed thier attention.

It was books such as the TURNER DIARIES and other books published by the NSLF & National Socialist groupings that made these scum wring thier hands, not cross burnings and pointed hoods.

The same shift of concern came from other minority-boosting organizations, far leftists, and publications, all over the World!And, so it goes:while the jew-kept press are using the KKK as a boogeyman to frighten State Legislatures into passing new laws against "racial Violence" and "race discrimination", (i.e. against White self-defense), increasingly it is the "Nazis" which isbeing talked about behind the scenes.

Why? We National Socialists have never had that much to do with the KKK in the past.Although we National Socialists have always tried to be friendly with the Klan, and in general we wish them well because we share some of the same ideals and even have fought side to side with Klansmen, as we did in Greensboro, N.C. a few years ago, against the Socialist Workers Party in that Southern City.Why are outfits like the Anti-Klan Network and thier ilk worried about we National Socialists, instead of fighting the Klan?

The French writer Victoer Hugo answered that question 131 years ago!He wrote,"One can resist the invasion of armies; one cannot resist the invasiion of ideas! "And, that my good comrades is exactly what the scum of the Anti-Klan Network are specifically afraid of! The ideas that we National Socialists have about what a good government is, not the hooded nightriders, and cross-burners, and unthinking bigots of"modern"America!

Traditionally the KKK has been conservative,(much to the disatisfaction of many of its members) parochial, and "Christian".The KKK wanted to "keep all non-Whites in thier place", not seperate them geographically from the Aryan population.In the past the KKK was suspicious of "foriegners",Germans, Poles,Yankees,Catholics,etc.That's the kind of Klan that the Anti-Klan Network is used to dealing with.And that's the kind of Klan the anti-White scum would like to keep around for awhile longer!

But- the Klan has begun to change-just a little so far, but enough to really worry the far-leftists, and all of those in the anti-Klanners ranks.The Klan has begun to move away from Its "conservative" image and ideas.And the Klan is beggining to understand some of our idealogy... just a little so far,but enough to worry the rank and file in the far left.

What is happening here in America and in some parts of Europa, is a process of 70 years of failure of the old racially concious consrvatives.They are dying out, not fast enough to suit us, but never-the-less they are on thier way out.National Socialist ideology is coming to the forefront, and racially concious radicals are paving the way to a White future in America, not the old "gone with the wind" dogma of the old KKK.This process has been accelerating over the past decade and at this eleventh hour of our races gravest crisis in it's history, it is about time!

White men have been led to slaughter each other in two jew insigated World Wars, and the "conservatives" have conspired with the jewish warmongers, because "that was the thing to do", or "the American way", or timidly kept their mouths shut! Ev en when the conservatives knew it was wrong to invade Europa and kill off the best of the White Race.If our idea of National Socialism does not win this battle, then the planet will be the jews' and jungle forever!
